

Company:

Max and Co are digital media consultants specialising in high-end creative and technical multimedia applications.

Since the early 90's we've applied creativity, experience and expertise to thousands of design-and-build media projects. We are one of the foremost creative and technically proficient agencies in Scotland with a broad portfolio of disciplines and a client-list ranging from blue-chip internationals to local service companies.

Position:**CREATIVE / GRAPHIC DESIGNER****Job Description:**

We're looking for a highly talented **creative / graphic designer** to join our design team in Aberdeen. This full-time position would suit someone with a minimum of ideally **five years commercial experience**, proven conceptualisation skills and a sound knowledge of both print and multimedia applications and processes.

The position will involve:

- Producing competent, commercially astute and inventive graphic designs for a range of media, including print, exhibitions, onscreen presentations and websites;
- Working alongside our project planners, artists, copywriters and media builders to deliver outstanding work on behalf of our clients;
- Dealing directly with clients throughout the creative process, helping to inspire them as well as deliver what they require;
- Ability to work under pressure and to tight deadlines within a busy studio.

The ideal candidate will have as a minimum:

- A degree in graphic design or related qualifications (not mandatory);
- MAC or PC based;
- Proven conceptualisation, visualisation, artworking, planning and typography skills;
- A high level of competency in Adobe Creative Suite applications;
- A sound knowledge of print, web and audio-visual production processes;
- Good communication skills;
- Proficient proof-reading and quality assurance skills;
- A background knowledge of the oil, gas and renewable energy industries (an advantage);
- Enthusiasm, keen eye for detail, good judgement, ambition and a sense of humour;
- Superior biscuit selection and purchasing skills a distinct advantage!
